Dan,

At the last street closure committee, we approved a westbound closure for Hollywood Blvd. for the "Fast & Furious 7" premiere at the Chinese theatre. Alwyn had already e-mailed Kerry and I to get our support for the closure before the committee meeting, and because it fit within the guidelines established by our board, we voted to approve the closure. However, I later received a fax from ELS which states that it is a full closure. Did this become a full closure after the committee approved it as a westbound closure?

Hi Devin,

Fast & Furious 7 premiere/hand & footprint is a **westbound** closure. CCing Marguerite Pellegrin from ELS in case there are any additional questions.

Thanks,

Dan Halden
